Board Meeting
North Hall
10:00am

President Message:

July 4th is the day when all Americans Families celebrate with pool parties and barbeques and a bang of fireworks! Life is good because of the citizens who served their country, we enjoy freedom.

Freedom is not free, the price paid so that others can enjoy freedom was paid with the red blood of the patriotic brothers and sisters who served. We cannot take that for granted. This years project is to support the men and woman that are deployed.

I ask you to start collecting items to put in the care packages to be sent abroad. We have partnered with The Valley Resource Center to assemble the care packages and send them to the appropriate troops. Adopt-A-Troop Program -We send monthly care packages to deployed military members each month with letters of support and encouragement.

Don't forget we are still continuing to collect flags with embroidered stars. This project is to honor the veterans as we meet them in our community.

Ladies, please honor, respect and support our vets. Freedom is really not free!

Remember to keep track of your volunteer hours. See you on the 9th!

2018-19 PROJECT : Adopt-A-Troop Military Care Package Program

Most of the troops we will support are from our community and are referred to Valley Resource Center by a friend or loved one. We would like to help, we need items such as food, instant coffee, and protein powder as well as shipping costs. If you wish to donate items, please see the suggested list below. Please note that many of our units are serving in the Middle East where it gets very hot so please do not donate items that may melt or aerosol cans. Letters of support for our military are always welcome and appreciated as well.

GFWC Meniffee/Sun City Woman's Club is committed to the **Adopting-A-Troop program**. To find out how you can assist a specific unit for the duration of their deployment by providing care package items, shipping costs, and letters of support!
