

GFWC Menifee-Sun City Womans Club MAY NEWSLETTER 2019

*Hello
may*

President's Message

Time spent with family is truly time well spent. In my family, Family Time was a time of participating, not only eating but sharing thoughts! It was also a time of getting instructions, a time of speaking about the day's happenings and a time when we could ask our parents questions. They would share stories about our relatives who paved the way for us. The sacrifices made, the unselfish acts they did sharing the little they had without expecting anything. These parents lived simple yet productive lives and left us with timeless principles. We were taught what was Integrity, Respect, Honestly, Compassion, Kindness, Self worth, Responsibility and Accountability! Live by the Ten Commandments and treat others as how you want to be treated! Yes, that is the Golden Rule!

My brother Junior and I were fortunate because Mom never worked. Our Dad provided a home, he left us daily to go to "Betty's Hope" That was the name of the Property that allowed him to give us more than the basic food and clothing.

Family Time is precious! It was extremely precious for us, Why ? because all of us would sit down for a meal. As children we had nothing to worry our minds except eating playing, and going to school. A bell rang when it was time for us to eat. We would get to the table quickly to get that nice warm meal before it got cold.

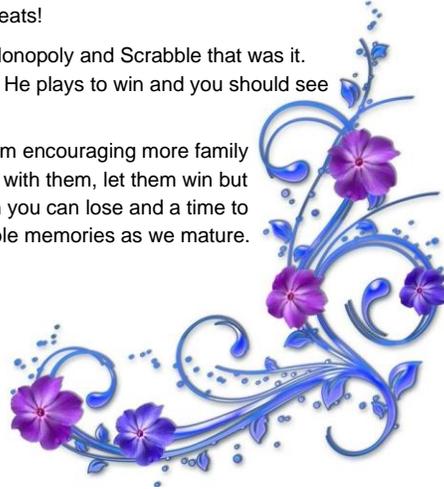

It was a time for conversation, everyone had to share. We enjoyed the stories. In today's busy world there seems to be less engagement, less interaction and the TV has become the baby sitter.

Unheard of was the TV and Internet when we were children. Dad had the only Mullard Radio powered by a battery. We supplied the entertainment for the neighbors as they would come and sit on the stairs leading to the veranda in the evenings. They listened to what was happening from the local radio station, the BBC and the Voice Of America. We enjoyed boxing and cheered for our champion as if we had ringside seats!

Another form of entertainment was playing card games, Dominoes, Monopoly and Scrabble that was it. Speaking of playing Dominoes my little grandson is the Domino King. He plays to win and you should see that little face of his when he says "I beat you Nan "

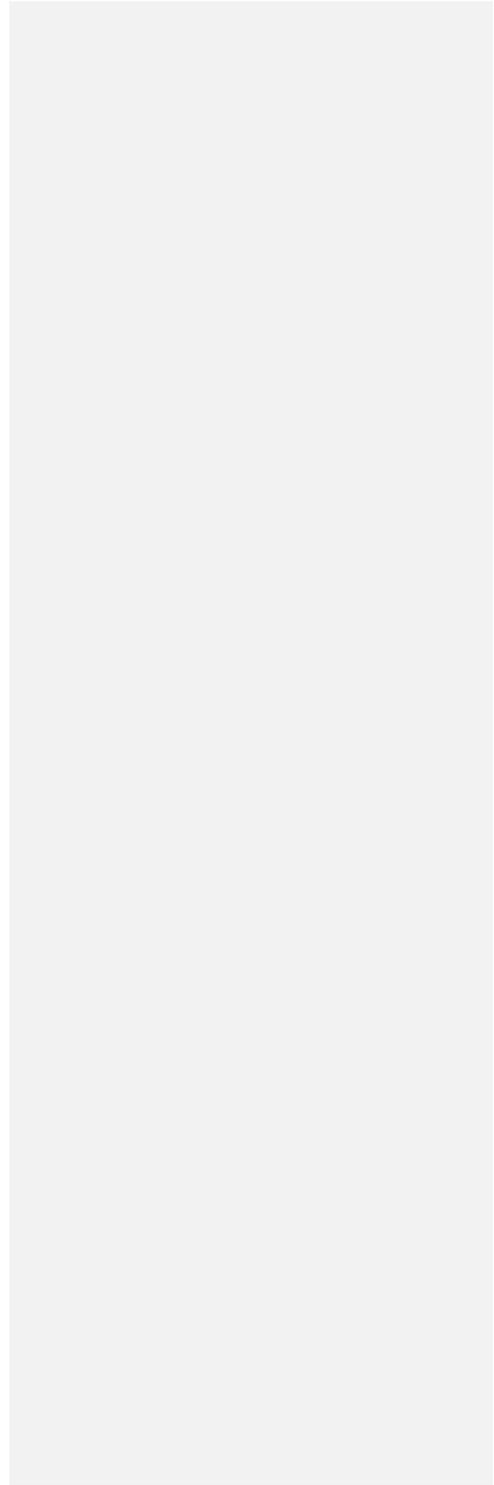

Please understand that I am all for change and progress, however I am encouraging more family time with the children. It does not have to happen at meal times. Play with them, let them win but not all the time. Prepare them for the real world. There is a time when you can lose and a time to win. Yes, Family Time creates precious moments that become indelible memories as we mature. Enjoy Life, Enjoy your family! Enjoy the Summer!

MEMBERSHIP:

Since this is my last year as your membership chair for the GFWC Menifee Sun City Woman's Club as I am completing my second year as your membership VP I want to do my last duty and that is to try and get all the renewals in by the next meeting so that we can have all the names as members to work on to put into the new membership book for next year.

This way also our new Membership VP would only have to work on getting in new members and when we send out reports to the district we would be able to show that all our members have renewed.

Renewal Fees are \$40.00 make the check payable to GFWC Menifee/SC Woman's Club, You can also renew at this link <https://www.gfwcmenifeesuncity.com/membership> Click on the place that says existing members renew below...

Note: All who joined since January 2019 you do not need to renew this year as your \$50.00 fee you paid covers you for the new year it's only those who were members previously or who joined in 2018 prior to January 2019..Next year when we do renewals you would then need to renew.

I want to thank five people who have already paid their 2019-2020 renewal fees at our recent board meeting they are Joan Wakeland, Joan Ring, Tahmina Morshed, Leslie Gugliemetti and yours truly Robbie Motter.

As a bonus for everyone that brings their renewal check to our next meeting or renews on line by the next meeting for their renewal fee of \$40.00 I will see that they get the GFWC Glitter Pin which is a personal gift from me as I personally have ordered and paid for the pins.

This is a gift from me as your membership outgoing chair to you, I will not be at the April meeting as I will be at the District Convention in Indio but I am sending the table cloths and decorations to make the meeting look great.

Please give your checks to Deborah Irish who will be at the door checking everyone in and she will get them to me so that I can post all the payments to your membership records as being paid for 2019-2020, I will then see that you get your pin.

I totally have enjoyed serving you as your VP of membership these past two years and our club has grown. I am sure under the new Membership VP next year we will continue to make our membership grow. We are losing a few members who have moved away so we need you to bring us new members so we can keep the numbers from declining and can continue to be at the same number we are now as we turn in our numbers to District. Remember together we can do more.

Thank you for your consideration to get your dues payments in so that we can have everyone paid for the New Year.

GFWC Menifee/Sun City Woman's Club support many events

By Robbie Motter

Recently several of the Menifee/ Sun City Women attended "Take Flight" which was a fund raiser put on by the Boys and Girls Club of Menifee Valley to raise funds for their new Perris, CA Clubhouse. The theme was the Roaring 20's, it was held at March Air Force Base Museum and was a sold out event that featured great entertainment, a live and silent auction.

Also many of the girls ventured to both San Diego and Orange County for the Women of Influence awards where several of the members were Finalists for awards both in San Diego and Orange County and member Shelly Rufin won the President's award at the Orange County event.

In addition many of our members were winners at the Global Society for Female Entrepreneurs Lady in Blue Awards and Fashion Show, those winning awards with others were Joan E Wakeland who won the Woman of the year award, Angeline Benjamin, Sandie Fuenty, Lynne Hartung, Raven Hilden, Sue Lopez, Jean Olexa, Shelly Rufin and Dorothy Wolons who won one of the Appreciation awards.

All were also given medals and a letter and certificate from the President of the United States along with other Certificates from Senators and Assembly individuals for their work in the community.

Many of our members also will be receiving one of the "All Women Roc" awards on June 29th at Cal State Fullerton, the award winners are: Angeline Benjuamin, Nicole Farrell, Sandie Fuenty, Lynne Hartung, Deborah Irish, Sue Lopez, Jean Olexa, Shelly Rufin, Joan Wakeland and Dorothy Wolons, Robbie Motter will also be presenting all the awards to all the winners and she will be getting one of the Women of the Year 2019 Inspiration and Champion of Women awards and "Ochea" Chebra Dorsey that soon will be a member is receiving the Iconic Design and Fashion Women of the year 2019 award.

April our club will be honored with guests from the City to learn about what is happening, they will speak at our April 8th luncheon. Joan E Wakeland President will also speak in April at the Coordinating Council about our Club and all the work in the community that our Women's Club does.

Robbie Motter, Joan Wakeland and Carolyn Follis recently attended a District meeting in Temecula and Robbie spoke on tips for keeping members. Robbie will be attending the District convention in Indio in April along with many of the other DeAnza district clubs.

Also at our April meeting at Webb Hall we will be electing a new slate of officers and at the May meeting we will be presenting Scholarships to local individuals as well as hold our Installation of new officers.

Our March meeting Kristi Jacobo the VP of Provident Bank did a dynamic presentation on Senior Scams and everyone was amazed at just how many are happening these days.

We invite all women in the Menifee/Sun City area to join us at Webb Hall the 2nd Monday for our lunch meetings and to help us serve our community with the many projects that we do annually for our community.

AMERICAN FLAG

Ladies do any of you have a American Flag the is worn that you no longer need and might be willing to donate to the woman's club for a new project that we are going to do for the veterans? We will be cutting out the stars from the worn and no longer used flag adding a poem and a star into a nice small bag and our members can give these gift bags to veterans they know or meet and thank them for their service. The flag we are looking for has stars that look like embroidery see photo below.

So if you have one that you can donate contact Robbie Motter (951)255-9200 or bring them to the next meeting. Thank you for your consideration of this request. Sheila Neal donated the flag in the photo.

COUPONS FOR THE MILITARY:

When something's expired you have to get rid of it, right?

Not when it comes to coupons.

Did you know?

- Expired coupons work.
Coupons can be used on overseas military bases for up to six months past their expiration date.
- Military families benefit.
Many military families rely on donated coupons to help offset the expense of living overseas.
- You can help.
Whether you're an avid clipper or someone who throws away Sunday inserts, any eligible coupons will help.
CLIP THOSE COUPONS!!!

Coupons we can use:

Save 'em whether they're active or expired! We'll send both.

Only manufacturer's coupons can be used.

They can be from the newspaper, dispensers in grocery stores, tear-pads, and elsewhere, as long as they state "Manufacturer's Coupon" on them.

The most important coupons our troops need are for food supplies.

Baby supplies are 2nd priority, though common household goods help troops, too.

Coupons we unfortunately can't use:

No assistance vouchers.

No food stamps or the like.

No store coupons. For example, we can't use store coupons like Walmart, Kroger, Safeway, Walgreens, etc.

No restaurant coupons.

No coupons that have been printed from the Internet.

Teach our future generation be good stewards of our environment.

Go one step farther: you supply boxes to local schools (put your Club information on the boxes), pick up when full, you send back to Crayola and you have an exciting, but inexpensive project.

Here is 15 pounds of dead markers that will NOT end up in landfills or our oceans. Did you know that Crayola has a program called **ColorCycle**?

Crayola **ColorCycle** will accept all brands of plastic markers, not just Crayola markers. That includes dry erase markers & highlighters. If you collect the dead markers, they'll send you a free shipping label & you can ship them back to Crayola to be recycled! Link to get started with this program: <http://www.crayola.com/colorcycle.aspx> This program is currently in the US & parts of Canada, check website & www.crayola.com/colorcycle/frequently-asked-questions.aspx - FAQ's.

Kids get so excited to set up boxes at their schools...know any teachers? These markers were collected in just 3 months at a preschool! Imagine what we could divert from landfills during the whole school year at every school!. Thanks for Sharing & Caring.

DONATION REQUEST

DONATION REQUEST:

My son and soon to be daughter-n-law will be getting married in October. I am very excited for them. The wedding is a rustic western theme and they came up with a cute idea. In order to not eat off paper plates, they have been collecting dinner plates. We have 50 thus far, which we found at garage sales, thrift stores and out of our own cupboards. They are all different, so what I am asking if you do some "spring cleaning" and have any mismatch plates or any dinner plates to donate to them to bring them to the meeting or call me (951) 240-0219.

Thank you in advance

Dorothy

Toast to the Flag

**There's not a thread of it,
No, not a shred of it
In all the spread of it
From foot to head,
But heroes bled for it,
Faced steel and lead for it,
Precious blood shed for it,
Bathing it Red!**

**Here's to the white of it--
thrilled by the sight of it,
Who knows the right of it
But feels the might of it
Through day and night?
Womanhood's care for it
Made manhood dare for it,
Purity's prayer for it
Keeps it so white!**

**Here's to the blue of it--
Beauteous view of it,
Heavenly hue of it,
Star spangled dew of it
Constant and true;
Diadems gleam for it,
States stand supreme for it,
Liberty's beam for it
Brightens the Blue!**

**Here's to the whole of it--
Stars, stripes and pole of it,
Body and Soul of it,
O, and the roll of it,
Sun shining through;
Hearts in accord for it,
Swear by the sword for it,
Thanking the Lord for it,
Red, White and Blue!**

GFWC FEDERATION FACTS: *In the Know*

Founded in 1890, GFWC's roots can be traced back to 1868 when Jane Cunningham Croly, a professional journalist, attempted to attend a dinner at an all-male press club honoring British novelist Charles Dickens. Croly was denied admittance based upon her gender, and in response, formed a woman's club—Soros.

In celebration of Sorosis' 21st anniversary in 1889, Jane Croly invited women's clubs throughout the United States to pursue the cause of federation by attending a convention in New York City. On April 24, 1890, 63 clubs officially formed the General Federation of Women's Club by ratifying the GFWC constitution.

- Sorosis is the name of the club to which GFWC founder Jane Cunningham Croly belonged. Its name is a botanical term which means "an aggregation; a sweet flavor of many fruits, as in the pineapple."
- Ellen Demorest, co-founder of Sorosis, was the inventor of mass-produced paper sewing patterns. They were included in her magazine, Demorest's Mirror of Fashions. Jane Croly was the chief staff writer for the magazine.
- In 1906, GFWC secured the passage of the Pure Food and Drug Act.
- In 1916, GFWC suggested that special naturalization services be made part of Independence Day celebrations. It is still a tradition today.
- During World War I, GFWC raised \$4,880,000 in Liberty Bonds, \$90,000 for the Red Cross, \$55,106 for camp libraries, and \$89,788 for the YMCA.
- Jane Addams (founder of Hull House in Chicago), Julia Ward Howe (author of the "Battle Hymn of the Republic) and Eleanor Roosevelt were all clubwomen.
- GFWC was an important force in founding America's first national park and supported the creation of the National Park Service. Each federation established a park within their state. Many, such as Everglades National Park, were handed over to the National Park Service and now are enjoyed by millions.
- GFWC began a campaign to name official state birds and flowers in the 1920's.
- By 1933, GFWC had founded 75% of America's public libraries, as well as pioneered the idea of bookmobiles.
- Roberta Campbell Lawson (GFWC President, 1935-1938) was half Delaware Indian. She published books on Native American music, as well as transcribed Lakota chants. When she died, her vast collection of Native American artifacts was donated to the Philbrook Museum in Oklahoma.
- During World War II, GFWC raised \$101,617,750 to buy bombers, \$154,459,132 to buy planes, and \$90,794,182 to Victory Loans. State federations provided \$234,834 in scholarships and \$46,601 in loans to train nurses. The Federation recruited over 6,000 young women for the Cadet Nurse Corps. Over 4,500 Juniors enlisted in the various services established for women.
- Many modern safety measures were early GFWC programs. The Federation had campaigns for seatbelts in all cars, streetlights on neighborhood streets and accurate labeling of food and medications.
- In 1994: GFWC founder Jane Cunningham Croly was inducted into the National Women's Hall of Fame in Seneca Falls, New York.
- In 1997: GFWC renewed its commitment to libraries with the Libraries 2000 project. Over a five-year period, GFWC clubwomen raised and donated \$13.5 million to public libraries and public-school libraries across the nation.

- During the 2000s, GFWC members contributed \$180,000 for a fully-equipped ambulance for use by the New York Fire Department in response to the loss of equipment suffered during the terrorist attacks on September 11, 2001.
- In 2011, GFWC introduced the *Success For Survivors Scholarship*, created as part of our efforts to highlight the importance of rebuilding one's life after experiencing intimate partner violence. Each year, GFWC awards \$2,500 scholarships to help intimate partner survivors obtain a post-secondary education that will offer them the chance to reshape their future by securing employment and gaining personal independence.
- In 2015, GFWC Celebrated its 125th Anniversary in Baltimore, Maryland.

HOME AWAY FROM HOME

Since opening in 1996, the Inland Empire Ronald McDonald House has provided comfort, care and support to children and families in Southern California. Our hope is to create a community where children and their families embrace life and healing with a sense of hope, enthusiasm, courage and joy by keeping families close to each other and the care they need.

Bring your Aluminum can tabs to our general meeting on May 14. This Month/May the tabs are delivered to the Ronald McDonald House near Loma Linda Hospital in Loma Linda. If you forget to bring them please call our club contact to make arrangements to get them picked up.

Signature Program:

Domestic Violence
Awareness &
Prevention

GFWC SIGNATURE PROGRAM PROJECT:

The GFWC Signature Program Committee is challenging our State Federations to raise awareness and benefit domestic violence shelters in their states by having a "purse contest" at their annual state conventions. Encourage clubs to enter their purses filled with items to be donated to their local shelters. The purses are also to be used as centerpieces for district and state conventions. Clubs need to contact their local shelters to determine the current needs of the shelter.

The items to put in the purses can be as simple as the obvious:

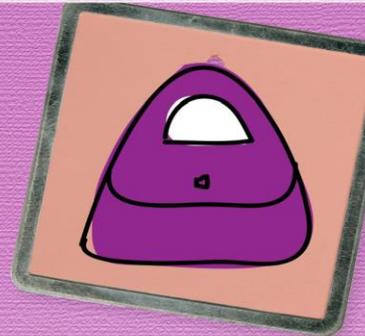

Tooth Brush & Tooth Paste
Shampoo & Conditioner
Brush & Comb
Soap and/or Body Wash
Lotion
Deodorant/Antiperspirant
Personal Care Items
(Tampons and/or Sanitary Napkins)
Cleansing Wipes & Tissues
Hand Sanitizers
Simple First Aid Supplies

Very Important!

A notepad with a pen and pencil as they may need to take notes when they talk to an attorney or law enforcement entity

Also options such as:

Lipstick, Make Up
Perfume or Cologne Samples

GFWC/CFWC members will speak with one voice:

-to develop and influence Federal & state legislation that positively affects the lives of domestic violence victims and their families.

-to empower individuals and organizations working to end violence against women and children around the world.

-to support GFWC Signature Program: Domestic Violence Awareness And Prevention partners

P - Purses

U - Uniting

R - Resources to

S - Successfully

E - End violence
